PROGRESS REPORT OF

Bill Waggoner

The purpose of this report is to inform the student and his parents, concerning his achievement, attendance, and general attitude toward school work.

In our grading and reporting, the welfare of the student is our major concern. We sincerely hope this information will be considered in terms of the individual student, his abilities and general growth pattern.

The best education for your child results from close cooperation between home and school. If you desire further information relative to your child's progress, please call the school and arrange for a conference with the teacher, guidance counselor, or the principal.
