1971 CLASS SONG

"I See"

Words and Music Johnny Smith

"I see the blue sky above my head,
 I see the roses painted in red,
 I see the grass so bright and green,
 I see the rivers so crystal clean,
 But I wish to see love and peace among ourselves,
 Then the world.

"I see the leaves of the trees blowing,
 I see the sun brightly glowing,
 I see the birds so happily singing,
 I see children to their mothers clinging,
 But I wish to see love and peace among ourselves,
 Then the world.

"I see the smoke rising from fires,
 I see the marks from screeching tires,
 I see survivors from a distant flood,
 I see the refugees all covered with blood,
 But I wish to see love and peace among ourselves,
 Then the world."
