Dear Mom,

As I think back on my childhood, which I often do, I think of how good it was - our house, my bike, my friends, driving in the Mustang, Dad getting new cars all the time, my railroad floor, models I built, you & dad both working, painting the house, the Brownie cars, & the chicken wing game - I only really remember what a good home life I had. How fine a job you did. And how much I loved you. And how much I still do.

HAPPY MOTHER'S DAY
